

**CAN A CANDIDATE
PREPARE FOR CLAT
IN 2 MONTHS?**

INTRODUCTION

CLAT is the most famous law exam and preparing for CLAT in 2 months is not an easy task so the first question you should ask yourself is, can you prepare for CLAT Exam in 2 months and get good marks?

Although some students crack the CLAT exam in only 2 months of preparation, this is not easy for everyone so you have to be more patient than ever.

As you know, there are many students who fail to pass the exam after 1 year of preparation, so this won't be easy for you to do in two months.

TIPS AND TRICKS YOU CAN USE WHILE PREPARING FOR CLAT

There will be 150 questions one mark each, with a negative marking of 0.25, and there are 5 subjects - English language, Current Affairs, logical reasoning, legal reasoning, and quantitative methods.

You have to create a strategy for 2 months of preparation, in the first 15-20 days of preparation you have to cover your entire syllabus and solve the previous year's question paper as well for this you have to study for at least 8 hours a day.

In the last month trying to solve as many questions papers, mocks tests, and sample papers as you can because there is a chance that a lot of questions can come from these questions papers.

SUBJECT-WISE EXAM PREPARATION

ENGLISH LANGUAGE

- English language:- Many experts say that if you have good reading skills you have a good chance of clearing the exam so reading the newspaper daily check out some new words this will help you improve your reading skills.

CURRENT AFFAIRS

- Current Affairs including General Knowledge:- Read the current affairs section of the newspaper daily and you can also read some latest GK books.

LEGAL REASONING

- Legal Reasoning:- This is the most weightage section of the CLAT Exam and mastering this section in 2 months is not easy so all you have to do is study from books which is related to CLAT.

SUBJECT-WISE EXAM PREPARATION

LOGICAL REASONING:

- Logical Reasoning:- This section is the key to success, for this section all you have to do is practice the more you practice the more this section will be easy for you.

QUANTITATIVE TECHNIQUES

- Quantitative techniques:- Regular and consistent practice of CLAT Mathematics can also help you ace the test in a similar way to Logic Reasoning.
